

12. CHURCH MUSIC

Each category (Upper Voices, Men's Voices, Full Choir) is divided into Services and Anthems. Under each composer Latin titles (Masses and Motets) come first. For the scoring, lower case indicates soli, upper case full choir.

Where the organ part is of a continuo nature, the indication Organ Cont. is used.

Square brackets enclose an optional element. 'Responses' implies Preces / Versicles and Responses for Matins and Evensong. Copies are B5 size, unless otherwise stated.

N.B. Seasonal suggestions do not preclude more general use.
